

The excitement is building for our first Black History Film Festival in the Freedom Hall Theatre , and it's important for our club members to show that we are supporting the project by purchasing tickets for you and your friends before we open up sales to the entire SCA community. Starting on **MONDAY, JANUARY 1** and continuing through **FRIDAY, JANUARY 5**, AAHC members will be able to buy tickets on an exclusive basis.

Go to our website, aahc.scaclub.org, to choose your seats and buy your tickets as soon as possible.

All film showings will be at **3 p.m.** on the dates listed below. The cost for a four-film subscription, which we are encouraging, is \$40.00, or you can purchase tickets for individual films for \$12.00 each.
